The screenshot shows a web browser window displaying the EIFL website. The address bar shows the URL <http://www.eifl.net/publisher/astm-international>. The page header includes the EIFL logo and navigation links: ABOUT, WHAT WE DO, WHERE WE WORK, IN ACTION, RESOURCES, and NEWS & EVENTS. A search bar with a magnifying glass icon and a "DONATE" button is also visible. The main content area features the text "ASTM INTERNATIONAL" in a large, bold font. Below this, a breadcrumb trail reads "Home > E-Resource > Publisher > ASTM International" and a "NEXT PUBLISHER" link with a right arrow. The ASTM International logo is displayed on the left, and a paragraph of text describes the organization: "Formed in 1898 as the American Society for Testing & Materials, ASTM International is a not for profit globally recognized leader in the development and delivery of international standards and associated technical information. Today, some 13,000 ASTM standards are used around the world to improve product quality, enhance safety, facilitate market access and trade and build consumer confidence. ASTM members number more than 30,000 of the world's top technical experts and business professionals representing 140 countries." Below this, another paragraph states: "Users of ASTM information are in many different industries, in almost every country and include businesses ranging from Fortune 500 leaders to emerging startups. Beyond its global leadership in". The Windows taskbar at the bottom shows the system tray with the date 11/8/2018 and time 1:20 PM.
