The screenshot shows a web browser window with the SAGE Premier website. The browser's address bar displays the URL <https://uksagepub.com/en-gb/afr/sage-p>. The website header includes the SAGE Publishing logo and navigation links for DISCIPLINES, PRODUCTS, RESOURCES, and ABOUT. A search bar in the top right corner contains the text "engineering" and has a dropdown menu open. The dropdown menu lists the following search results:

- engineering in Textbooks
- engineering in Books
- engineering in Journals
- engineering in Site content

The main content area of the website features the heading "SAGE Premier" and a sub-heading "DIGITAL LIBRARY PRODUCTS > Journals". Below this, there is a list of "DIGITAL LIBRARY PRODUCTS" including "JOURNALS", "New Journals and Changes", "Launch Journals", "Premier", "Title Lists", "Policies", "Frequently Asked Questions", "Open Access", "Training and Usage", "Subject Collections", "Backfile Packages", "HSS Package", and "STM Packages". The "Premier" section is highlighted. To the right of the product list, there is a promotional message: "SAGE Premier was designed with and for librarians savings off list prices for individual journals!". Below this message is a list of bullet points:

- Electronic access to more than 1,000 peer-reviewed (900,000 articles)
- Content ownership of the subscribed content during the term of the agreement
- Complimentary access back to 1999, where available while a current subscription is maintained
- Quality new content added to the package annually

Below the list is a link "View 2019 Title List". At the bottom of the main content area, there are two buttons: "RECOMMEND SAGE PREMIER TO YOUR LIBRARIAN" and "REQUEST A TRIAL". The footer of the page includes the text "The Content: International in scope • Peer-reviewed •". The browser's taskbar at the bottom shows the system clock as 12:37 PM on 11/12/2018.
